

29 CAPITAL RISK MANAGEMENT

29.1 The Company's objectives when managing capital are:

- to safeguard the Company's ability to continue as a going concern, so that it can continue to provide returns to shareholders and benefits to other stakeholders, and
- to provide an adequate return to shareholders by pricing products and services that commensurate with the level of risk.

The Company sets the amount of capital in proportion to risk. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. Currently, the Company is financing its operations through equity which would be augmented by short term borrowing where necessary.
